*your journey*

eforea spa at Hilton Bournemouth is a place like no other where you will reconnect with yourself and emerge brighter. Our Essentials and Escape Journeys feature both results-oriented and locally inspired therapies.

Signature to eforea spa are the Journey Enhancements, powerful mini treatments that are added to your existing services or enjoyed by themselves. These treatments have been specially designed for eforea and introduce guests to special, rarely experienced techniques from the most fabled spa cultures around the world.

## enhancements

A la carte and upgrade services are available for your head & face, shoulder, neck & scalp and feet.

## head & face

Find clarity. This illuminating experience draws from mystical practices of ancient Indian massage and powerful Thai therapies.

## shoulder, neck & scalp

Lighten your load. This deep relaxation experience draws from Chinese acupressure, modern science of trigger point therapy, and traditional methods of Swedish massage.

## feet

Ground yourself. This experience for the feet and legs, combines the richness of ancient Egyptian reflexology with spiritual concepts of Native American healers.

Enjoy true serenity with a 30 minute enhancement for £35, or book all three for £80. Spa day guests can upgrade their experience with an enhancement for just £28.
