

Edg

WELCOME

The bar takes its name from a very simple story about location. We are found on the edge of the hotel on the corner of Edgware Road, one of London's longest Roman Roads, stretching 10 miles.

The **Edg** bar and lounge, is a great place to gather for formal meetings and informal eating and drinking.

Throughout the day we serve morning coffee, light lunches and the Classic Afternoon Tea. Whilst the "invisible" pianist plays on the piano, from dawn till dusk.

In the evening we change the mood and the bar adapts, serving our signature cocktails:

Martini's
Living on the Edg

As well as a range of classic cocktails, fine champagnes and wines, until late or very early!

"Some people wanted champagne and caviar when they should have had beer and hot dogs".
