COCKTAILS (CLASSIC)

Glass

Vodka

“The drink that can appeal to all demographics”

Cosmopolitan

1,150*

You may be saying to yourself – A Cosmopolitan? Isn't that so 10 years ago? And quite honestly, you may be right, but these little beauties are so delish that we don't mind if we're a bit outdated. Just call us retro.

Bloody Mary

1,150

What is most likely a rather dull and simple vodka-tomato combination, immediately got spiced up in the hands of a thoughtful drink slinger, and then morphed into a different variation every time a new bartender was asked to make one.

Vodkatini

1,150

Hate Gin but love Vodka. A simple Aperitif drink.

Sex on the Beach

1,265

A tangy way to celebrate & let loose a little steam.

Gin

“Certainly fashionable these days with a phenomenal range of old and new”

Singapore Sling

1,265*

An evolved version of the not so popular old 'Sling' which was a mixed drink made with strong spirit (like Gin), water and sugar.

Blackberry Fizz

1,150

A fizz may seem an odd drink to be enjoying at a bar, but Gin allows the drink to be refreshing and slightly warming.

Dry Martini

1,150

The perfect platform to showcase the bitter, yet loaded with flavour to keep it from stealing the show.

* Available during Happy Hour.

All items are in Sri Lankan Rupees, and subject to service charge and applicable government taxes.

Rum

"And let me tell now...you're going to love this one"

Glass

Caipirinha

The caipirinha is the national drink of Brazil. It is a simple, but delightful, combination of cachaca. Sometimes you want to enjoy a caipirinha but not act like one, if you know what we mean. Consider yourself warned!

1,150*

Mojito

Some purists may argue that this isn't a real cocktail – ignore them. On a lazy day, having a drink to linger over is certainly very pleasant. And if we are lingering, we need to keep things cold.

1,150*

Daiquiri

The Daiquiri is thought to have been developed in the late 1800's in Cuba. It can be developed to suit multiple palates. Choose from,
Regular / Strawberry / Passion / Mango
Frozen or on the rocks

1,150

Mai Tai

Mai Tai translates from Tahitian to mean "Out of this World" and is a fitting description for this fun cocktail.

1,725

Piña colada

Almost everyone has heard of the Piña Colada and just as many people have probably tried one. It is one of the most popular tropical cocktails and it is definitely one of the creamiest.

1,265

Tequila

"A smooth spirit of personal preference"

Margarita

You could call it the cousin to the mojito..... We just call it delicious. No drink screams "party!" like a margarita does! Choose from,
Regular / Strawberry / Blue / Passion
Frozen or on the rocks

1,150*

Golden Slumber

A trendy drink to get the weekend started and a mood raiser for parties. Sip on a Golden Slumber and feel a tickle in your senses!

1,250

*Available during Happy Hour.

All items are in Sri Lankan Rupees, and subject to service charge and applicable government taxes.

Glass

2,000*

Bullfrog

A great way to completely forget who you are and where you live. . . But don't expect to be able to sleep off your hangover!

Long Island Iced Tea

The stronger the spirit, the smoother and richer it will be.

1,725*

After Dinner Cocktails

B - 52

The shooter craze may have since faded in some bars, but the B-52 remains emblematic of all the high-octane, syrupy-sweet cocktails that made Saturday nights blurry for a generation of drinkers.

1,150

Grasshopper

This great digestive is a relaxing drink, and is a must try!

1,150

Brandy Alexander

We've been told we make the best one in town. Take a sip and enjoy!!

1,725

*Available during Happy Hour.

All items are in Sri Lankan Rupees, and subject to service charge and applicable government taxes.
