"My husband, Chris and I got married on June 18 and we had our wedding reception at the Hilton Cincinnati Airport. Our experience there was more than wonderful; it was the perfect ending to a perfect day!!! 😊😊😊 Before our wedding day Shona Schulkers, the Catering Sales Manager, made planning for our wedding reception stress free!!! She was so very helpful and did everything possible to make sure our wedding reception was amazing, and it was!!! The tables were gorgeous, the food was delicious, and everyone had a great time. With our wedding package we received a complimentary room with a hot tub, it was wonderful!!! It was great no having to drive anywhere after the reception and then in the morning we were taken to the airport for our honeymoon!! Our experience at the Hilton was fabulous and I highly recommend them!"

“The Hilton is an excellent place to hold a reception. The staff goes above and beyond to make your event exactly what you have in mind. We had many out of town guests. The Hilton accommodated them extremely well. We were able to block off a set of rooms so that guests could simply go upstairs after our receptions to rest and relax. The rooms are very spacious, clean and comfortable. All our guests said they slept very well and enjoyed their stay. The ballroom was a perfect size for our guest number. We had about 150 guests and there was plenty of room to move around and dance. The reception hall was set up beautifully. I simply dropped off my supplies to them on Thursday, and by Saturday, they had everything set up exactly how I envisioned plus some. I would highly recommend the Hilton for any couple trying to have a traditional reception with many friends/family, music, great food, and overnight accommodations!”

“I just want to express our gratitude and appreciation for the services you rendered. I would like to thank Shona for helping us to plan the wedding and offering the Bistro as a new idea for the Hilton to have the reception there. It was amazing and everyone in attendance loved the layout and the food services. Your food service staff was awesome and strived to accommodate and always smiling. Tony and his staff were on it. I apologize for not knowing the lady's name that was in the Bistro at 1pm, but I want her to be acknowledged for being so willing to help my sister and I begin setup for the reception. We were both "Finicky Nellies" and she was so sweet and nice and just kept telling us to tell her what we wanted and she would make it was taken care of, and she definitely followed through. Your Bartenders were awesome, patient and very accommodating and a lot of fun. The Hilton was a wonderful place to hold this special event. Having it all in one location made it perfect for all the families, young and old. Thank you again. I would highly recommend your establishment for any special occasion. They made this wedding day very special for our daughter. It was and will always be a memorable experience”
