Grey's **Gin & Tonics** & Martinis are made with gin produced in South Wales. Eccentric Gin was originally developed and produced in the cellars of a building which has stood in Llantrisant for over 200 years using natural spring water running beneath the stone floors. Eccentric Gin continue to draw water from beneath the ground.

A 10% discretionary service charge will be added to all bills. All prices include VAT at the current rate. For those with special dietary requirements or allergies who may wish to know about ingredients used, please ask the Manager.
