Do you believe in love at first sight? How important to you are we? Do you want to know more about us? What do we like, and what do we yearn for? Do we dream in colour, or in black & white?

The Imperial is full of history and the scent of the past, but maybe, you already knew that. We want to teach you more about us. And believe us when we say, that this hotel has a soul. You can meet our soul through the story of our cocktails.

Even if you are not staying long, just listen to our story.

For we do not offer just a drink, we offer a whole new experience.

Pommery Nights

“Don’t run away. Take in my aroma. Touch me with your lips. My scent is full of life and full of fun. Fresh, refined and delicate. And yes, I have the colour of envy of the passionate kind. Washed yellow with sprinklings of green. A real bomb. You fear that I will burn you or poison you with my strength. But maybe I will only tickle. I am worth a try. And when you try me, you will see how elegant, rounded, rich and delicate I am. Who wouldn’t want me?”

TRUE ORIGINALS

There is only one Dubrovnik, and not another like it. To live here means to feel responsible for what has been, and what will be. For this reason, to us, it is a real adventure to come up with a cocktail that will reflect this, and do even more. Because Dubrovnik is not just a place that you come and go from; Dubrovnik is a memory, a taste, a smell, and a touch. Many times throughout your stay, there will be elements that will touch you and remain with you forever. And we want to be one of those. We want to be authentic and original… us and no one else. That is our touch, the touch of the Mediterranean, Dubrovnik, our culture and our history.

DIAMONDS ARE FOREVER

Taking these decades old cocktails and calling them diamonds is not a choice of bravery, but the only one we have. If we are constantly returning to them time and time again, does that not make them Kings? And Kings deserve their diamond encrusted crowns. And just like those diamonds, these cocktails are classics; they reflect the elegant side of our hotel. Youth and energy are roaring through them, as they do not understand the concept of age. They will last for eternity; and after we are gone, they will be our legacy.

And when you think you’ve seen it all; when you have recognized, experienced, and savoured enough to where there are no stones left unturned... then you may turn to us. Yes, these are classic cocktails that everyone serves, but we offer a new take on that experience. We do not want, we cannot be, and we will not be, the same. We refuse to be boring. You will feel the tectonic shift; the collision of the past and the present, all in one glass. With these cocktails, tradition is brought to a new dimension, defined with a new meaning. Take our hand as we dance this new dance, and who knows where it’ll lead you?

Mocktails

Make a virgin cocktail, and fill it full with colour that borders the stories of fairy tales. Take that colour, and add in an enjoyable taste and smell and it becomes an adventure. These drinks symbolize youth, childhood, and innocence, but are refreshing nonetheless. Let these drinks be a colourful moment along the path of your journey. Or maybe...I’ll want to keep these moments for myself.
