

HOW TO SPA

Here are a few tips we would kindly like to remind you of as you plan your journey to wellness:

SPA ARRIVAL TIME

Please arrive 30 minutes prior to your spa appointment. While you wait for one of our therapists to greet you, slip into one of our luxurious robes and sandals, and enjoy our relaxation suite, steam room, private outdoor hot tub and stone fireplace. Our indoor pool, hot tub, and complete fitness center are also available to complete your Denver hotel spa experience.

JEWELRY AND OTHER VALUABLES

Please leave your jewelry and other valuables either in your guest room safe or at home. A safe deposit box is available at the front desk for your convenience.

CONSIDERATIONS

Please assist us in maintaining a tranquil spa environment. We kindly request that you respect other guests by using quiet conversation. Additionally, the spa is a cell free zone, please leave your cell phone in your guest room or locker. Please drink plenty of water.

GRATUITIES

Gratuities may be left at the front desk, or with your therapist. Please keep in mind that we want all of our guests to enjoy their experience at the spa, and leaving a gratuity is at the guest's discretion. We recommend 20% if you do choose to leave a gratuity.

WHAT SHOULD I WEAR?

A robe and sandals will be given to each of our spa guests upon arrival. Please dress to your comfort level. Swimsuits will be required for all of our hot tubs and pools.

MINIMUM AGE

For all of our spa services, we do ask that all of our guests are 16 years old or older.

PREGNANCIES

We do not recommend any treatments for women in their first trimester.

SPA GIFT CERTIFICATES

Give the gift of indulgence with a spa gift certificate. Gift certificates can be purchased for specific dollar amounts and can be used toward spa services or products.
