

Located in the heart of Baku *eforea: spa at Hilton Baku* is the perfect location for an intimate escape and fun-filled getaway. The 1,500-square-meter spa offers eight oversized treatment rooms each with a private shower and dressing rooms. Luxurious changing areas, transition lounges for relaxation, full body hydro massage beds within the Jacuzzi and traditional hammam are a part of the eforea experience at Hilton Baku. The presidential spa suite features a private steam room and sauna, two treatment beds, a day bed and the most exquisite views of Baku. All areas of the spa were designed to maximize the breathtaking views, including sunrise panoramas from the extensive fitness center and yoga room. The amenities also include an 18-meter lap swimming pool.

eforea: spa at Hilton Baku features some of the world's finest spa brands on both the treatment menu and in the retail area, such as Kerstin Florian, LI'TYA and Vitaman. Peter Thomas Roth products will complete the eforea offering with products and signature treatments that are an extension of the new in-room bath amenity collection rolling out at Hilton Hotels & Resorts properties around the world by year end.

The qualified therapists with exceptional experience and trainings will make your treatments unforgettable.
