WHISKY LOUNGE

“The water was not fit to drink. To make it palatable we had to add whisky. By diligent effort I learnt to like it.”

Winston Churchill

The Whisky Lounge is a place to escape the hustle and bustle of London and enjoy a wee dram.

The Whisky Lounge is here to help you indulge in your pleasure of whisky. We have over 70 different whiskies, of which most are displayed around you in the cabinets.

On the Whisky list there is a brief tasting note for each whisky so you can consider what you are looking for, if not ask one of the team who will be happy to help.

If you are not a connoisseur then take a “Whisky Flight” where you can taste the best of Scotland, America or Whisky from England and Wales too.

George Bernard Shaw the playwright said “Whisky is liquid sunshine” and here you can enjoy the warmth of whisky, with or without mixing it.
