"Everything was very well organised and the day went really well. The hotel itself was very beautiful and situated in a lovely area and easy to travel to. The room was very nice, very comfortable and set up to our requirements. The food was amazing and we thought that we were very well catered throughout the day! Not to forget the lovely receptionist on the floor who went out of her way to get a bottle of chilled water for me as I wasn't feeling very well! It was a memorable day and I can't thank you enough for co-ordinating the booking of the venue and for making sure everything run smoothly!" – Executive Assistant, government company.

"Thank you to you and the team for hosting our event last week, the whole day went really well. I look forward to working with you again in the future" – EMEA Project Lead, retail & jewellery company.

"Thank you for a lovely evening, all our guests had a great time at the dinner awards and were particularly pleased with the layout this year! Your work to the lead up of this event was much appreciated and the staff on the night was fantastic, all went very well." – Conference Logistic Coordinator, qualifications company

"I wanted to take this opportunity to send my thanks to you and your team for all the hard work that went into our event. Giovanni really looked after us well with his team Alvina and Tatiana. They were incredibly attentive and ensure that everything was done promptly and to the highest standards. Nothing was too much trouble and the team really went out of their way. The whole team always insisted in bringing me drinks, carrying things for me and generally making sure I was taken care of. Thanks again for everything and we have no hesitation in using you again in the future." – Event organizer – tech company

October 2018

"I need to say a big thank you to you and the Hilton London Tower Bridge events team for the massive support and kindness in helping me to make wedding showcase such a huge success. The vendors were really happy as were the couples, the Tower Suite transformed nicely to the wedding catwalk show. The stage and the settings were excellent. The More London Suite was so beautifully dressed by the decorator. It would be lovely to work with you all again in any other form, as well as in another wedding show, and I will personally recommend the Hilton Hotel Tower Bridge to my prospective brides and grooms." – Wedding Planner – Wedding Planning company
