The Waldorf, known as The Waldorf Hilton since January 2004, has an illustrious history and rich heritage dating back 110 years to 1908. It is with pleasure that we welcome you to experience a traditional afternoon tea in its grandeur.

The creation of this English tradition was established by a friend of Queen Victoria, Anna Maria Russell. She began noticing a long gap between lunch and late supper and created the experience we know today as, Afternoon tea.

Cream first or jam? The debate continues and originates from the English counties, Devon and Cornwall. The traditional Devonshire scone is constructed by placing first the cream and then finishing with jam on the top. However in Cornwall they prefer and insist the jam is placed on first and then topped with the Clotted cream.

How will you construct your scone today?

Tea Selection

BLACK TEA

The Waldorf Tribute Blend
A combination of malty, peak 2nd flush Assam tea with a hint of the evocative, smoky Lapsang Souchong tea, together creating a heady aroma of bonfires and honey. Created to complement our sandwiches, scones and pastries, this tea is locally blended at the original Twinings tea shop exclusively for The Waldorf Hilton.

The Full English
Golden tipped broken orange pekoe is the secret to this blend. A well rounded blend with full flavour.

The Earl
This sublime Earl Grey blends Chinese black loose leaf tea with the wonderfully citrusy flavour of bergamot. Truly perfect.

The Lady
The light and delicate taste of bergamot, with added hints of oranges and lemons.

The Nutty Chocolate
Inspired by tea & chocolate, a match made in heaven. Rich Assam loose leaf tea is a perfect partner to the flavour of chocolate & hazelnut.

WHITE TEA

Rosy Fig White Tea
Rosy Fig flavoured White Tea is a beautiful, light white blend with mellow nutty tastes, sweet fig and floral rose notes.

INFUSIONS

Redbush Caramel Velvet
The flavour of rich, creamy, sweet caramel goes perfectly with redbush. It’s ideal any time of the day as it’s naturally caffeine free.

Thoroughly Minted
Everything you expect from the ultimate mint experience – glorious peppermint, rounded with vibrant bursts of sweet spearmint.

Jasmine Petals & Pearls
Light green tea layered with jasmine flower scent to create the perfect balance of flavour. The camomile flowers & rose petals add soft floral notes to the blend.

Elderflower & Blossom
Darjeeling is known as the Champagne of the tea world. We've blended Darjeeling with a delightful floral flavour to give it a fragrant burst of sweetness.

OOLONG TEA

Emerald Dragon Oolong
This impeccable high mountain oolong is a honey coloured tea with a spring like fragrance and light, blossomy taste.

GREEN TEA

Simply Sencha
This is a wonderfully mellow and slightly sweet green tea that makes for such easy drinking that we’ve added nothing to it. It is simply sencha.
