# Selection of teas and infusions

by Hope & Glory

## CLASSIC

(Ideal brewing temperature 100°C)

**Assam** - Strong and substantial. A blend perfect for those that prefer a bolder taste. A popular choice for those early mornings.

**English Breakfast** - A lively full-bodied blend of Assam and Ceylon organic black teas. Best served with milk.

## DELICATE

(Ideal brewing temperature 80°C)

**Chaquoing Green** - A mellow, classic green tea from one of the most luscious gardens of Sri Lanka. Sri Lankan green teas have some of the highest levels of anti-oxidants.

**Darjeeling** - A light and delicate, organic black tea; taken with or without milk.

**Earl Grey** - Britain's favoured tea. Scented with natural Bergamot oil; its mix of sweet lime provides a distinct hint of citrus. Taken with or without milk.

**Jasmine Pearls** - A classic green tea. An organic, floral blend that is mixed with the delicacy of jasmine. Often recognised as China's favourite tea.

## NURTURING

(Ideal brewing temperature 80°C)

**Chamomile** - Made up of only the finest whole Chamomile heads. An organic infusion that provides a light and delicate brew.

**Peppermint** - Traditionally used to aid digestion, making it the perfect refreshing after-dinner blend.

## SIGNATURE

(Ideal brewing temperature 100°C)

**Masala Chai** - A full-bodied blend of organic Ceylon black tea and spices. Derives from the Hindi meaning 'mixed-spice tea'.

**Red Velvet** - A mouth-watering blend. This tisane is 100% organic and caffeine free. Deep ruby in colour, zingy and fruity in taste. Best served without milk.
