GREEN AND WHITE TEAS

ORGANIC FOG
Hand-plucked, from high up in the mountains of Jiangxi Province, China. The mists that envelop the mountain create the condition that allows these wonderfully mellow leaves to emerge. The rich sweet taste of the dark green tea will captivate your taste buds.

GARDENIA
Japanese green sencha tea is blended with green and white tea from China. A smattering of redcurrants, blackcurrants and apricot bits are added and lastly, cornflower and jasmine blossom is used to create a combination of tea, fruit and flower, which is wonderfully balanced.

JASMINE PEARLS
This is simply the highest quality Jasmine Tea. Each spring the tea pickers of Fujian select and hand roll only the finest buds. Each is then repeatedly scented with night-blooming jasmine blossom. The perfect blend for a Jasmine connoisseur!

MALAWI WHITE
This extraordinary rare tea is grown on the Shire Highlands of Malawi - the small plantation produces this tea in only minuscule amounts. Malawi White combines the delicacy of white peony, with notes of caramel and smooth honeysuckle. Simply delicious.

DOUBLE DRAGON PEARL FLOWERING TEA  
This tea is handmade by skilled Chinese artisans using high grade white tea leaves: Yellow Chrysanthemum and Jasmine flowers. The leaf ball opens once in hot water, unfolding to reveal a golden Chrysanthemum flower, from which two Jasmine flower dragons sprout out, to enjoin with a beautiful flower pearl. A delightful treat for all your senses.
