Your heart is full...

All great romances begin when your heart skips a beat and you realize that something is new and different this time. From the moment your heart fills with joy as you walk down the aisle, to the way it flutters as you dance your first dance, your perfect wedding should do the same...

At Hilton Mystic we understand NEW...our hotel just completed a total transformation. We've created endless possibilities for you and boundless opportunities to create your own unique wedding day. Begin your celebration by bringing together family and friends at your rehearsal dinner outdoors or inside, in the courtyard or in one of the newly renovated event spaces. For your ceremony, exchange vows outside on the beautifully manicured lawn or inside in the Schooner Ballroom, then enjoy cocktails and hors d'oeuvres in the new Cutter Ballroom, adorned with oversized chandeliers and floor to ceiling windows. Spend the rest of the evening in the Clipper Ballroom, with menus created especially for you by our new executive chef, followed by a celebration that lingers long into the night. You see, at Hilton Mystic, we offer you exclusive use of our wedding space, as we host only one wedding at a time.

We also understand the heart...we are the heart of Mystic, walking distance to Mystic Seaport, Mystic Aquarium, Olde Mistick Village and just about everything else. Invite your guests to spend the weekend soaking in the spirit of Mystic. Stroll the village and downtown shops; watch the drawbridge rise as ships enter the sound; experience maritime history come alive on the deck of tall ships, swim with Belugas from the Arctic Coast and hang with Penguins from Africa. Add an eclectic restaurant and entertainment scene and you've created the perfect Destination Wedding location.

At Hilton Mystic, we promise to fill your heart with great memories. Let's get started!
