What people are saying about The Spa Club.

“ A lot of spas don't have relaxing amenities for me before or after the treatment. They do 'basic' well, but without a lot of added benefit. I like it here because I get an affordable treatment WITH the extras.

“ I've been an avid gym goer for a long time, and as I've aged I recognize the value in regular body maintenance. The fact that Spa Club is setup similar to my gym membership is convenient and keeps me in a routine.

“ I love discounts. I finally found an amazing spa, with topnotch therapists at a price that fits my budget.

“ This place is great! Not only do I get to visit the spa every month, but my Spa Club has events, classes and monthly specials that encourage me to try new things.
