

SHIRAZ RESTAURANT

A LA CARTE MENU

Shiraz, the city of roses and poets, provincial capital of Fars, located in the Zagros mountains.

Parks with magnificent trees are one of the many attractions of Shiraz. Long wide shady avenues lead from one side of the city to the other.

Because of the city's altitude, the climate is extremely pleasant. Shiraz boasts a mild winter and pleasantly warm summer.

Shiraz is famous as a literary center, renowned especially for its poets Hafez and Saadi.
