WHAT IS MEET WITH PURPOSE?

Hilton MEET WITH PURPOSE

Responsible, social and healthier options for today's meeting planners

Utilizing meeting practices that are less resource-intensive, you can host more environmentally-friendly events.

Re-examining event dining, you can plan to minimize food waste and encourage far more balanced choices, portion control, locally-sourced cuisine, seasonal ingredients, and more.

Enhancing guest experiences by adding fitness events, spa promotions, outdoor activities, and breaks that offer stimulating, energy-boosting features.

MINDFUL MEETING

PLASTIC-FREE / AMENITY STATIONS

Beverages are served in refillable carafes and glass wares.

Food are presented on dishware made of recycled materials.

Stationery, amenity & water stations

POSITIVE RECYCLING

Nespresso 100% recyclable capsules

Soap Recycling Program - Used soap bars from guest rooms are recycled and processed to create new soap bars for vulnerable communities in Asia.

SUSTAINABLE CHOICES

Marine Stewardship Council & Aquaculture Stewardship Council Certification

First Hotel in Asia to achieve both eco-label chain of custody certifications. This ensures seafood dishes served are sustainably caught and farmed.

Enquire with our chefs for a customized sustainable seafood menu.

Vertical Garden

In-house vertical garden to harvest home-grown vegetables in an eco-friendly manner with low carbon footprint and low water usage.

Clean Air Program

For every meeting and event held at Hilton Singapore, we will pay to offset the carbon emissions generated. This comes at no cost to you, and directly supports carbon reduction projects across Asia Pacific.
