"Our wedding experience with Hilton was truly amazing! The team's consistent service and warm hospitality went beyond their call of service.

Special mention to Hassan (Banquet Manager) & Ervina (our wedding planner), who attended to all our requests be it big or small. I am very proud of the commendable team at Hilton Singapore for making our wedding so memorable!"

Zulgarnain & Jumanah

"A BIG thank you to the weddings team at Hilton Singapore for exceeding all our expectations. June (Wedding Planner) is extremely accommodating. She always goes the extra mile in ensuring all of our requests are met. The banquet service team, namely Xinhui tirelessly stayed with us until the very end to ensure we were happy with our wedding arrangements.

We had such a fuss-free and amazing wedding day thanks to the team at Hilton Singapore!"

Kelvin & Shirlyn

"Ervina was very prompt in answering to our enquiries and she was very helpful in giving us recommendations.

As I work in the service line too, I am very particular about customer service and I must say that Ervina has provided impeccable service and she should be commended for that."

Keith & Tessa

"We had a fantastic experience at Hilton Singapore and would highly recommend the hotel.

Our coordinator, June, is knowledgeable and prompt in addressing our queries. She was also able to advise us very honestly - something rare in an industry where false promises are all too common - and we were thus able to make prudent yet productive decisions as a result.

I would like to commend Hassan and Paul from the banquet team as well. When I told them of my request to have a special performance; Paul not only made the time to toggle between an added rehearsal while managing another event, he also took the initiative to liaise directly with my musician so that I could have one thing off my hands on the actual day.

Finally, even my most seasoned of wedding guests had high praises for the food and decoration. Thank you for making our special day all the more blissful!"

Vern & Dorinda

Special shout-out to June (Wedding Planner) and Micky (Banquet Manager)"

"We know the planning of our Wedding will be in good hands from the moment we met June.

Her over 20 years of experience in wedding planning helped rookies like us, who were lost on what to do next. Without her patience, our wedding wouldn't be a success. "Alan and I would like to express our sincere gratitude and greatest appreciation to our wedding sales manager, Ms. Jeline Tan and our banquet manager, Ms. Ng Wailing for the enduring support we received before, during and after our wedding. You two are definitely assets to your organization.

Jeline, we are so thankful to have you as our wedding coordinator. Your experience, initiative, understanding and promptness has indeed helped us through the initial planning stages to its finalization and reassured us that we were always in good hands.

Wailing, you are one of our biggest contributors to the success of our banquet dinner. Your professionalism, attentiveness to all the nitty gritty details, exceptional service rendered on the most important day of our lives and passion in service touched us to the core.

Last but not least, thank you Hilton Singapore for this unforgettable experience that will always etched in our hearts."
