Traffic and Parking Information for Stadium Event Days

Access and Traffic: The Santa Clara Police Department and/or the California Highway Patrol may limit access to the surrounding stadium area at any time prior to, during and after events taking place at Levi's Stadium. This would include closing or limiting access to ramps, roads, entrances and exits depending on traffic and/or flow without notice. Please plan accordingly.

We suggest you download the Levi's Stadium APP on your cell phone and/or hand held device to get up to the moment information as it relates to traffic and possible road limitations/closures.

Parking: The Hilton Santa Clara Hotel will limit one (1) car per registered guest room during Stadium event days. Any car not displaying a parking tag from the rear view mirror will run the risk of being towed. Parking is limited to the same time as "check-in" and "check-out" of your guest room (check-in at 3pm and check-out at 12noon). Upon checking out on an event day you will be required to relocate your vehicle to an approved Levi's Stadium parking location. Download the Levi's Stadium App @ www.levisstadium.com.
