

HILTON ANAHEIM GUEST ROOMS AND SUITES

GUEST ROOM AND SUITES DESCRIPTION AND AMENITIES

The Hilton Anaheim features 1,478 guest rooms and 95 luxurious suites of various sizes, locations and configurations especially designed for VIP accommodations, hospitality functions or small informal meetings.

GUEST ROOMS

Guest rooms and suites are flooded with natural light through floor to ceiling windows which highlight design elements of contemporary furniture, ebony wood tones, warm wall colors, cozy lighting, and original artwork. All rooms feature flat panel televisions and media ports that allow guests to connect electronic devices. Guest bathrooms are well designed with

space-saving sliding doors, Kohler fixtures, enhanced lighting, granite counter tops, and deluxe shower heads.

SUITES

From our Presidential Suites to our Studio Suites, the Hilton Anaheim has something for every level of VIP. All suites feature a wet bar for entertaining and many suites feature sliding patio doors that open to one of our special event decks on the 5th floor. To accommodate a wider range of needs, most suites connect to a king or double queen guest room, creating the option of a one or two-bedroom suite.
