SPECIALS

INGREDIENT OF THE MONTH

SALMON

Salmon truly is a wonderful fish – it's easy to cook, incredibly versatile and absolutely delicious. It is also high in oil content making it smooth in texture and rich in flavour, plus it's packed full of omega-3 and essential fatty acids which we all need to keep our blood cholesterol healthy, and vitamin B12, which aids psychological function. On top of all that, its mellow flavour makes for an easy introduction to fish for kids.

HOT SMOKED SALMON \$24

Served on warm potato & egg salad with Kimchi mayo and Asian dressing.

DAILY SPECIALS
